THE NEW McALLISTER DORMITORY.

McALLISTER HALL.

The new dormitory which was described in the first number of the STATE COLLEGIAN has been named McAllister Hall in honor of Mr. McAllister, father-in-law of Gen. Beaver. Mr. McAllister was one of the most active men in the work of getting the land grant for this college.

We are authoritatively informed that the dining room in McAllister Hall will not be managed directly

by the college, but will be placed in the hands of a competent caterer, with the expectation and requirement that he shall furnish good board at a reasonable rate. It is possible, also, that arrangements will be made in such a way that different tables or groups may have different service, with rates to correspond. It is expected that all the waiter service will be done by students, thus furnishing employment for a considerable number.

REPUBLICAN CLUB.

Wm. T. Kelsh, a graduate of the University of Pennsylvania, and president of the Pennsylvania League of College Republican clubs, addressed the members of the local Republican club last Monday evening. Methods of conducting the club were discussed and a permanent organization was started. Mr. Kelsh stated that similar clubs were being started in nearly all the universities and colleges in the State. Ben Curry was elected president with Offut and Krone as vice president and secretary respectively. A constitution will be adopted later.
