kicked off to Forkum who advanced 20 yards before being downed. Partridge, Smith and Yeckley made gains but W. & J. got the ball on a fumble. W. & J. could gain nothing around the ends but started a steady movement through the line. State supporters began to shake a little as line after line was passed. Finally a fumble gave the ball to State on the 33 yard line. A few short gains were made and then Forkum made his 70 yard run around left end by a fake pass on right tackle. He kicked the goal and the score stood State 12, W. & J. 0.

After this the ball stayed in W. & J. territory as it had been most of the game. Slowly but certainly it moved down toward the goal line until only a short distance of three yards remained to be passed. At this point time was up and we lost the touchdown. The line-up:

The College Team Victorious.

On Saturday Oct. 22nd the College team defeated a strong combination from Lock Haven Normal on Beaver Field by the score of 10-0. Although the day was threatening a fair crowd of students assembled to see the contest.

Promptly at three o'clock the teams lined up, with the Normal team defending the west goal. Hand kicked off. Collar caught the ball, advanced it a short distance, but lost it when tackled, the college boys getting the ball. They gained rapidly and Montz was soon sent over for a touchdown. Higson failed to kick a goal. Hand kicked off again and the college team got the ball in just the same manner as before, Collar fumbling the kickoff. After a couple of line plays Hand went around the left end for 15 yards and Ritchey took the ball over for the second touchdown. On the next kick off Normal got the ball on their 30 yard line and it saw-sawed back and forth, the half ending with the ball in the hands of the college team on Normal's 25 yard line.

In the second half there was no scoring, although the Normal succeeded in working within 20 yards of State's goal only to lose it on downs. Later the college team had the ball on Normal's 5 yard line when they fumbled and Normal in spite of a penalty for holding, got the ball out of danger. The game ended with the ball in mid-field in the possession of the college team.

The game was rough and not always the best of feeling was exhibited. Hand, Burns, Higson and Price did the best work for the College team. The line-up
