

College 6—Bellefonte Academy 0.

In a close fight the College team defeated Bellefonte Academy last Saturday afternoon by a score of 6-0. A strong cross wind made good kicking and catching of punts very difficult, and the fumbling on both sides was noticeable. In the first half State kicked off, Weaver running the ball back fifteen yards before he was downed. Bellefonte tried the College line but failed to gain and Weaver kicked.

State then tried line smashing and end runs, rushing the ball to Bellefontes two yard line, when Higson carried it over for the only touch-down. Higson also kicked the goal. Soon after the half ended. In the second half Hand kicked off for the College team and then followed a see-saw back and forth across the field.

Bellefonte played strongly, at one time having the ball on State's twelve yard line, when it seemed that a field goal was a sure thing, but the play was not made and Bellefonte's score remained zero.

Academy also claimed a touch-down in the second half, when Weaver punted back of the College goal line and then fell at the same time with Burns on the ball. The umpire disallowed it, saying that it was Burns' ball. "Johnny" Weaver, who was on the College team here for a short time this fall, played a splendid game for Bellefonte. Gutelius is also a snappy player. The line-up.

Who saw a fan dropped by mischance;
As he stooped o'er the floor
Something ripped, and he tore

"I think," said the actor, as a cabbage just grazed his nose, "that someone in the audience has lost his head."

"But if the professor is so absent-minded that he can't remember his own name, why doesn't he write it on a slip of paper and carry it with him?"

"He tried that, but he found that he couldn't read his own writing."
