Semi-Centennial Jubilee Commencement.

Although nothing definite has been settled, it is understood that the Alumni committee on the Commencement Jubilee have plans, which if materialized will make the coming 50th Anniversary of the founding of the College, a "hummer." They intend to ask the Board of Trustees to set aside one day of Commencement Week for the Alumni, adding one day to the usual number. It is rumored that the Committee has \$1000 to spend and as its members are "live ones," we may look forward to something out of the usual run. They intend to ask for McAllister Hall to use as Alumni Headquarters and if this is granted they will give a luncheon there on Alumni Day, doing away with the regulation Alumni luncheon in the Armory. Efforts are being made to make the attendance of "old grads" a record-breaker.

The Creamery students have arrived. Fred Dodge is on hand again to give them the benefit of his experience.

Debating Club.

About ten students met in room 367 on Friday evening, Dec. 18th, and reorganized the Debating Club. The advisability of resurrecting the club and continuing in the Debating League was thoroughly discussed. It was finally decided to give the project another trial and each man present pledged himself to do all in his power to awaken interest. The following officers were elected: President, L. B. Smith '06, Vice President, J. A. Hunter '05, Secretary, H. M. Braucher '08, Treasurer, W. F. H. Wentzel '08, Ex. Com. Alex. Hart '05, A. M. Myers, '08, R. M. Remick '08, and P. A. Rainey '07.

Berzelius Chemical Society.

The regular meeting of the Berzelius Chemical Society was held in the main lecture room of the Chemical Laboratory at eight o'clock Thursday, Dec. 15th. Dr. Clark gave a short talk on "Scientific Associations and their Advantages," T. A. Swartz '05 read an interesting paper on "Calcium Acetate and its Uses." The Society then adjourned in a body to the residence of Dr. and Mrs. Pond where a sumptuous banquet awaited them. Mrs. Pond was assisted in receiving by Mrs. Keith, Mrs. Shoffstall, and Miss McFeely. When the tables had been cleared, the company was entertained with short talks by Drs. Pond, Tuttle, Keith and Wyman and Messrs. Curry '05, Forkum '05, Brobst '05 and Kaufman '06. Before adjourning a hearty vote of thanks was tendered Dr. and Mrs. Pond for their generous hospitality.
