June 15, (Commencement Game) Open, at State College.

When completed, it is expected that the schedule will number about twenty-five games, of which only about one-fifth will be played on Beaver Field. Yale plays about 32 games and Princeton 29, so it is seen that State is not far below these colleges, both in number of games and in difficulty of schedule.

The early Southern trip is a new venture with State College baseball teams and the one proposed this year is largely in the nature of an experiment. It will be taken during the Easter vacation and the quality of the teams to be played, Mt. St. Mary's, Annapolis, University of Va., Washington and Lee, and Georgetown will make the proposition a pretty tough one. However if the weather proves favorable and a few of the possibilities develop, State's team will give a good account of itself.

Electric Traction and Lighting For State College.

Two corporations, entitled respectively the Nittany Light, Heat, and Power Co., and the Bellefonte Traction Co., have recently been chartered. The former organization is to

furnish light, heat, and power to State College and vicinity, and the latter, trolley communication between State College, Bellefonte and Milesburg.

The tracks of the traction company will extend from a central point in Milesburg to Bellefonte, where they will traverse several streets; thence to Pleasant Gap, and from there through Lauvertown and Lemont to State College. The intention is to equip the road with a high speed service and introduce a time schedule which will not only be convenient to interurban travelers but will also be in harmony with the Bellefonte steam road schedules. The franchise introduced into Council at last Saturday night's meeting calls for permission to lay tracks on College avenue, beginning where the pike enters the Borough. Similar ordinances are being favorably received by the Councils of Milesburg and Bellefonte. The corporation is controlled by Centre county men and has the following officers: President, J. C. Meyer; Secretary, Robt. M. Hunter; Treasurer, John I. Olewine.—The Times.

—The Mallory Studio, Bellefonte, have established R. H. Farrington as student agent. Find him at the Kappa Sigma house.
