

"Pop" Golden to Stay.

The clipping from the *Police Gazette* printed in the COLLEGIAN of last week conveyed the impression that Mr. Golden had applied for the position of football coach at Purdue University. Mr. Golden wishes that impression to be corrected. About ten years ago he held the Physical Directorship at Purdue and consequently is well known there. When Cutts the present coach, handed in his resignation, the Athletic Committee offered the position to Mr. Golden and even paid his fare out to look things over. Mr. Golden, however, is well satisfied here and until an offer is made that will be more decidedly to his advantage than his present position, he will continue to act as Physical Director at State.

Glee Club Re-organized.

At a meeting held at the home of Miss Atherton Saturday evening last, the Glee Club was re-organized and the following officers elected: Pres. J. D. Rippel, '05; leader, F. M. Torrence, '05; secretary, C. H. Waller; treasurer, H. M. Jacobs, '06. It was decided that two regular one hour rehearsals be held each week.

At present there are about sixteen members in the organization. The number necessary to secure the best results is about twenty-four. Any one wishing to try for membership should consult Miss Atherton or Leader Torrence.
