An Episode.

Three smart young men and three nice young girls

All lovers true as steel —
Decided, in a friendly way,
To spend the day a wheel.
They started in the early morn,
And nothing seemed amiss;
And when they reached the leafy lanes,
They in like
rode twos this.

They wandered by the verdant dale,
Beside the rippling rill;
They heard the song bird's trill,
They sped through many a woodland glade,
The world was full of bliss,
And when they res'ed in the shade
Theysat intwos likethis.

The sun went down and evening came,
A lot too soon they said;
Too long they'd tarried on the way,
The clouds grew black o'er head.
Down dashed the rain! They homeward flew,
Till one unlucky M ss,
Slipped sideways - Crash, Great Scott! The lot
Wereallmixeduplikethis.

When your heels hit hard and your head feels queer,
And your thoughts rise up like froth on beer,
And your knees are weak and and your voice is strong,
And you laugh all night at some damn fool song;
You're drunk, by Gad, you're drunk.—New York World.
