Freshman Banquet.

Although coming little later in the term than has been the custom for a year past, the Freshman class pulled off their annual banquet very successfully. The incidents connected with the departure for the scene of the festivities, Williamsport, were a little more exciting than last year's affair. On the stroke of the 9.30 bell, Wednesday morning, all the members of the class attending recitations and college work in general, dropped whatever they were doing and bolted for the doors. The rendezvous was Krumrine's Crossing on the Bellefonte Central railroad where a special was in waiting to take them directly to Williamsport. The great majority managed to arrive in time but some were compelled to wait until noon. The Sophs were present in force at the station however so the "left overs" had to adopt strenuous methods in order to get away. Some drove to Bellefonte while others went around by way of Montandon on the 2.28 from Lemont.

There were one hundred and five present at the Park Hotel when the banquet commenced. After the good things composing the excellent menu had been stored away, Toastmaster W. M. Ferguson called on the following to respond to toasts:

1908	-	-	-	W. T. Dunn
The Ladies	-	-	-	W. G. Childs
Athletics	-	-	-	H. A. Zink
Pipe Dreams	-	-	-	G. W. Hargest
The Faculty	-	-	-	S. S. Riddle
The Pike	-	-	-	R. M. Remick

The impromptus which followed the regular order were also highly entertaining. The banquet broke up at late hour with the class yell.

The committee who so cleverly planned and successfully carried out all the arrangements, was composed of A. H. Higson, Chairman, W. B. Geise, D. H. Plank, S. S. Riddle, and H. A. Zink.

The Basket Ball Trip.

Accompanied by "Andy" Lytle and "Pop" Golden, our basketball team left on its eastern trip last Tuesday, February 21. After a nine hours ride the boys arrived in Philadelphia and registered at the Hanover. Wednesday morning and afternoon were spent in sight seeing.

The first game was played that evening with the University of Pennsylvania team. The boys seemed to play rings around the Philadelphians and at no time was the result in doubt. We started scoring early in the game and held the lead throughout the contest. State was well blessed with rooters, many of them Philadelphians. The final score was 29 to 24 in favor of State.

The Swarthmore game was somewhat different. Some say we were dopey while others say it was a case of swelled head. "Andy" Lytle says that it happened because he didn't root hard enough. Be that as it may, we were beaten badly. Although Swarthmore was generally in the lead the score was kept close until the latter part of the second half when Moorhead was injured and forced to retire. The boys then seemed to lose all courage and Swarthmore ran up their side of the score. The game resulted with the score 35-16 in favor of Swarthmore.

In the Franklin and Marshall game at Lancaster we encountered a very slippery floor. The first part of this game seemed to be a repetition of the Swarthmore contest. Our boys shot in hard luck, probably on account of the strangeness of the baskets. The first half ended 17-8 in favor of F. and M. Until within about seven minutes of the end of the second half, with the score 25-16 in F. and M.'s favor, our boys did no better. Then State took a brace, a wonderful brace. In that short time our side of the score was advanced from 16 to 33 while F. and M. succeeded in getting only two points. This was the first game that F. and M. has lost on her
