home floor in two years. Caswell played in Moorhead's place and did well for a new man. Score: F. and M., 27; State, 33.

The Dickinson game was a comparatively easy one. Our opponents, strengthened by their star, Brungate, who had been under faculty restrictions in the earlier part of the season, played hard up to the last minute. However, there was a total absence of team work on their part. When the game closed the score stood 31 to 12 in favor of State.

STATE 31 DICKINSON 15
 Dunn (Capt.) forward Opie
 Foltz forward Brungate
 Yeckley center Rich
 Heaton guard Sadler (Capt.)
 Moorhead guard Smith, Breiner
 Goals from field—Moorhead 4, Dunn 2, Yeckley
 5, Foltz, Opie 2, Brungate. Goals from fouls—
 Dunn 13, Opie 4, Brungate 2. Referee—Tompkin-
 son. Umpire—Williams. Time of halves—20
 minutes.

Throughout the trip every man played his best game. Too much praise cannot be given Captain Dunn for his excellence in general leadership and for his ability in making free throws. The boys received fine treatment wherever they went, especially at the latter places. Without

a doubt this is the most successful basketball trip that a State basketball team has ever taken.

Mining Engineering Society.

The Mining Engineering Society at this meeting last Friday evening listened to interesting papers on "Problems in Deep Hoisting" by Mr. Zern; "Some advances in Metallurgy" by Mr. Linville, and to talks on current mining events by Messrs. Smith and Glenn. At the next meeting, March 3rd, Messrs. Ames and Caswell will present papers. Current mining events will be discussed by Messrs. Gilson and Bartlett.
