Sophomores 28, Freshmen 21.

The Sophomore basketball team defeated the Freshman five by the score of 28-21 last Saturday in the annual contest. The game was hard fought from beginning to end, and although the Sophs took the lead early in the game and held it, the result was more than once in doubt.

The first half started off with a rush, and it was clearly seen from the beginning that it was to be a "rough house" contest. Both teams were into the game every minute between whistles, and followed the ball with a recklessness that has seldom been equaled in the State College Armory.

Haverstick, captain of the Sophomores, threw the first goal, while McIlveen followed almost immediately with another. The first half was played for nearly thirty minutes continuously, since, by some mistake, no time keepers had been appointed. When the attention of the referee was called to this, the half ended, the score being Sophomores 20, Freshmen 12.

The second half was a repetition of the first, and the Freshmen were unable to overcome the lead of the

Sophomores, the game closing with the score 28-21 in favor of 1907.

Haverstick and McIlveen were the stars for 1907, each securing four field goals, while the latter threw four goals from fouls. DuBarry played a splendid guarding game against Moorhead, the Freshman captain and forward. Burns and Moorhead were the Freshman stars.

The game was this year, as always, the most interesting one of the season. The line-up:—

SOPHOMORES	FRESHMEN
Haverstick (Capt.) forward	Moorhead (Capt.) forward
McIlveen forward	Thomas forward
Kirk center	Zink center
DuBarry guard	Burns guard
Wilson guard	Ferguson (Leathers) guard

Referee—Humphries. Time keepers—Stewart and Goodling. Time of halves—20 minutes. Goals from field—Haverstick 4, McIlveen 4, Wilson 2, DuBarry 1, Kirk 1; Moorhead 3, Burns 3, Zink 1, Thomas 1. Goals from fouls: McIlveen 4, Moorhead 3.

Legislators Visit the College.

Sub-Committees of both the Senate and House Appropriations Committees visited the College last Friday. The Senate Committee was composed of Senators Cummings, Sisson, and Bolard. That from the House consisted Messrs Wayne, Ambler, and Kelsey. Quite a number of members from both branches of the Legislature accompanied the Committees on their visit. The Bellefonte Central special reached the College about nine o'clock and until 11.30 the time was occupied in inspecting the various buildings and departments. A special schedule of practicum had been arranged so that the visitors had an opportunity to observe the students and the various branches of training the College endeavors to impart. At 11.30 the entire student body assembled in the Auditorium where they were addressed by Senators

Cummings, Sisson, Gerberich, Irvin and Messrs Wayne, and Ambler of the House Committee.

In the afternoon the visitors witnessed physical drill and a special athletic program in the Armory.

Inter-class Debate.

The annual debating contest for the Atherton prize of \$30 will be held on Saturday evening, March 25th in the Old Chapel. This year the competition is narrowed down to teams from the Sophomore and Freshman classes and in view of the intense rivalry between these two, the contest bids fair to be a warm one. 1907 will be represented by J. M. McDowell, C. R. Stahl and C. V. Woodward, with F. B. Garrahan as alternate. The Freshman team is composed of H. M. Braucher, R. M. Remick and W. F. H. Wentzel. A. M. Myers is the alternate. The judges will in all probability be Dr. Benj. F. Gill, Dr. E. W. Runkle, and Prof. J. H. Leete. The question to be debated is "Resolved, That the United States should abandon the Protective Tariff at this time." The Sophomores will uphold the affirmative and the Freshmen the negative.

State Alumni Smoker.

The State Alumni of Pittsburg gave a smoker at the Hotel Schenley on Saturday evening, March 11th. About 110 Alumni were present. Plans for the coming Commencement were enthusiastically discussed. The company were entertained by a troupe of vaudeville artists and all who attended voted the affair a howling success. Geo. P. Meek and Hard P. Harris of Bellefonte were present.
