8.00 P. M. Natural History Club.
Baseball. State vs. West Point at
West Point.

Fred T. Ikler, Lawyer.

What was probably the best address given here for some time was that delivered by Fred T. Ikler, a a state senator from Bloomsburg, in the auditorium last Sunday morning. The subject of his address was "The Need of Christian Men in Every Day Life." He spoke with great ease and that kind of oratorical skill that comes only from natural talent and experience.

Besides being member of a large lecture bureau Mr. Ikler has gained a reputation as one of the most accomplished and successful crimnal lawyers in the state. He was also a member of the St. Louis Fish Commission.

His father, the late Judge R. R. Ikler, occupied the bench in Columbia County.

Death of Mr. Smiley.

Warren P. Smiley, '95, the Alumnus who recently died was employed for a short time after his graduation as chemist in iron and steel works. From '96 to '98 he was a member of the teaching staff of the department of chemistry here but left to accept a position with the Ohio Steel Co. Later he was employed by The International Correspondence Schools of Scranton and prepared a number of text books for their use.

In 1900 he became chemist for the Buffalo Furnace Company and while there contracted consumption which finally ended his life. During the four years of his illness he spent in Colorado and in Arizona where he engaged in trade with the Indians but he was not able to make any headway against the disease. He returned to Pennsylvania last June and entered the Home for Consumptives at Scranton, Finding no relief he came to the old home of his wife's relatives at Pine Grove Mills, Pa., in August, 1904, where he remained until his death. He died Sunday morning, April 16.

Services where held at the house Tuesday evening and were attended by several persons from the College, representing the Faculty, the Department of Chemistry in particular, the Bertzelius Chemical Society, and the Φ K Σ fraternity of which Mr. Smiley was a member. The remains were taken to Scranton for interment and were accompanied by a delegate of the fraternity.

Baseball.

Six straight victories for State! This is the record of our Varsity baseball nine up-to-date, and "the team" displayed its real strength here last week by defeating the crack Villanova college nine in two games, both of them very decisive victories for the wearers of "the White and Blue." "Lefty" Mc-Ilveen did the twirling in the first game, and "Sticks" Haverstick in the second; and both had the Villanovans at their mercy at all stages. The ferocious batting of State's men, coupled with this fine pitching turned both games into rather easy victories, even although the visiting team played top-notch baseball all through. The excellent fielding of Villanova has never been excelled here; and both games were replete with brilliant plays by both sides. State's new short stop, showed up exceptionally strong in both batting and fielding, while every State player did consistent work, and fought like a trojan to win from the team which gained a victory here last season. The Villanova players were sadly surprised by the speed of State's nine.

"The Irish" blew in here fresh from a 21 to 0 victory over Franklin and Marshall, and they all felt confident of at least breaking even in their two games with State. But any one who was fortunate enough to witness these two fine battles on Beaver Field can attest to the fact that Villanova was fairly outclassed by State in almost every department of the game; and many of the visitors admitted before their departure that State's team was the best they
