State Wins Second Place.

The Relay team, consisting of Arnold, '06, Kaiser, '06, Stapler, '07, and Henry, '07, with Long, '07, as alternate, went to Philadelphia last Friday to compete in the athletic carnival held under the auspices of the University of Pennsylvania.

The race on Saturday afternoon was close and exciting from start to finish, Virginia winning by a close margin, State being second and Dickinson third, while the Indians, Lafayette and Bucknell were among the "alsorans." The time, 3:35 and 3-5 shows that it was a hard race throughout. The fellows received as trophies silver cups with appropriate inscriptions. During their stay in the city they put up at the Hanover, State's headquarters for athletic teams in Philadelphia, and on Saturday evening saw "A Royal Chef" at the Chestnut Street Opera House,

Baseball.

Our Varsity baseball men returned last Sunday from their Eastern trip after winning the first two games, and losing the next two, the final contest with Lafayette having been called off on account of rain. The three games on this journey which all State was most anxious to win were the battles with Dickinson, West Point, and Lafayette. The first two named were roundly trounced by Captain Ray's men, while it looked good for a "State" victory over Lafayette with McIlveen reserved to do the twirling. It looked a little to our boys as though Lafayette showed the white feather, as all rain had ceased at noon time in Easton, and a game could certainly have been played.

The Fordham game was lost through several misplays by State, although State's batting was superior to that of Fordham. After playing errorless ball against Dickinson and West Point, State's four errors all counted in the Fordham game, the winning run being scored in the last inning on Mason's wide throw to first base. Against Manhattan State once more had the pleasure of playing in "a cigar box," the diamond being about three inches deep with sand, and although State hit the ball hard it was of no avail as everything went Manhattan's way. However, this defeat did not worry State's men much as they were saving every possible ounce of "ginger" for the struggle against Lafayette the next day. the correct scores will follow here. According to the report sent out from Fordham State made only two

Reserve Game.

The College Reserves under Captain McGee opened their season last Saturday on Beaver Field with a victory over the State College A. C. led by Dr. Robison. The hitting on both sides was weak, but the Reserves showed that they possess the possibilities of a good fast nine, providing constant practice is held, and the best men are picked for the various positions. There is an abundance of good baseball material here at "State," and there is no reason in the world why several first-class players should not be developed each season for the Varsity. The Reserves are scheduled for a trip within a few weeks and should work hard to get into the best possible shape. What the Reserves need is some "team work," and not an abundance of individual playing.
