### Just a Word.

The management of the baseball team wishes to take this means to thank the students for the considerate way that they have remained off the baseball field this year. It has always been a great problem here, especially since the bleachers were destroyed, to keep the field clear. It is not desirable to run ropes along the foul line for then special rules governing such conditions must be made and besides it hampers the players a great deal.

At the last game however a little tendency for the fellows to crowd around first base manifested itself. Let us guard ourselves in this particular and by our consideration encourage our very victorious team to even greater success.

### Inter-Class Games.

Assistant Manager Himes has announced the following schedule for the inter-class baseball games:—

'08 vs. '06 Tues., May 16, 4 p.m.

'07 vs. '05 Thurs., May 23, 4 p.m.

Winner vs. Winner. Sat. June 3, 2.30 p.m.

Dickinson college wants a good yell. The present one is said to be un'intelligible and inefficient.
