EDITORIAL

With this issue we have the pleasure of presenting a special feature devoted to the Young Men's Christian Association of the College. We shall not attempt to write an editorial on the growth of that splendid organization as the articles, written by Y.M.C.A. men, form sufficient editorial in themselves.

Mr. Sanders lectured on steam turbines and stokers before the Juniors last Monday evening.

A party of Senior and Junior Mechanical Engineers made a test on one of the Bellefonte Central engines last Saturday.

The Band concert on the front campus last Saturday evening was splendid, and a duplication in the near future would not be amiss.

Prof. L. A. Harding of the Mechanical Engineering Department was absent for a few days attending some business in Pittsburg.

J. K. Robb, '07, dislocated his shoulder last Monday while playing baseball. This is not an uncommon occurrence for him as it is the thirteenth time that this has happened.

An informal dance was given by some of the students last Friday evening in the State College Hotel. "Paddy" Godard "fiddled on the drum-box" and a pleasant evening was enjoyed by all.

The college men are very slow.
They seem to take their ease;
For when they graduate,
They do it by degrees.—Ex.

Baseball.

Owing to the cancellation by W. U. P. of its game scheduled here for May 12th the Varsity nine has been unable to have another contest since our last issue. Euchre.

Mrs. Arthur Shoffstall delightfully entertained at progressive euchre at the ladies' cottage Friday evening. Representatives from each of the fraternities were present making eight fraternity tables and one non-fraternity table. Refreshments were served and the favors were in the colors appropriate to the separate fraternities while the respective flower of each fraternity aided in the color effect. The first prize was won by Sigma Alpha Epsilon fraternity. It was a handsome framed work in water color bearing the coat of arms of the state in the center and surrounded by the coat of arms of each fraternity. The Kappa Sigma fraternity carried off the booby prize, a toy goat.
