field sports since entering that college. The object is to bring out any "unknowns" who would be a help to the, at present, rather poor track team.

The Senior class of the Massachusetts Agricultural College at Amherst which left the College in a body recently because of the suspension of three of its members for disturbing a recitation, has given up its contentions and has returned to college work.—Ex.

Ohio State has the largest graduating class in the history of the University, there being two hundred and ten members.
