Two More Victories.

The Varsity players left the College last Sunday for Atlantic City where they played Villanova on Monday. The result was a slugging match in which our boys came off victorious by the score of 10 to 7. The next day State went to Princeton and defeated them by the score of 8 to 6. Owing to our going to press before the details of the games could be obtained we are unable to give a full account in this issue. Next week's number will contain the game in detail. The students celebrated the Princeton victory Tuesday night by a stag in McAllister Hall and an enormous bonfire on Beaver Field. Wednesday morning the team on its return home received its usual reception after such victories.

Automobile Thesis.

Flickinger, '06, and Bair, '06, have almost completed their thesis work on the repairing of the automobile designed by students several years ago. On Wednesday of last week the reconstructed automobile made its first appearance on the street. The boiler is of but two horse power and is somewhat too small for the engine. Otherwise the mechanism operates successfully.
