Historical Meeting.
Continued from page 1.
 few of those strong citizens who have
 carried it on was described with this
 speaker's characteristic simplicity.
 Mr. John Hamilton, '71, a former
 State Secretary of Agriculture, now of
 the Department of Agriculture at
 Washington, was then introduced.
 He spoke on The Relation of the Col-
 lege to Military Education.

The last regular speaker of the af-
 ternoon was Mr. John I. Thomson, '62,
 the Book Keeper of the College who
 spoke on the subject of the State Col-
 lege and the Military Service. The
 meeting was very interesting on the
 whole and some facts in connection
 with State College that will long be
 remembered were brought out. The
 speeches will be published by the Col-
 lege in pamphlet form for State sup-
 porters.

The Scholarships.
 The winners of the White and Car-
 negie Scholarships will be announced
 at the regular Commencement ex-
 ercises tomorrow morning. Owing to
 the fact that the Carnegie Scholar-
 ships were established just last Janu-
 ary, the interest accrued from the prin-
 cipal has reached only forty-five dol-
 lars for each scholarship, the regular
 being \$100. There are four Carnegie
 Scholarships for each of the three up-
 per classes of one hundred dollars each,
 one White Sophomore Scholarship of
 one hundred dollars, one in the Junior
 class of one hundred and fifty dollars
 and one in the Senior class of two hun-
 dred dollars.
