

Saturday's Game.

Continued from page 1.

lege stars; that it played a good game all last season, and that even had "Wup" exerted her full strength it is no great reflection on her team to have won by only one touch down. Still, like the Carlisle score, it is not one that need scare us; and in fact the only conclusions that can be drawn from it, or the first two considered is that we are up against three propositions that will need our full strength in every case, but no one of which is out of class in any point of the game.

State Man C dered
to Philippines.

Frederick Dale, '92, a graduate of this college in the course in General Science, who has held the position of Assistant Surgeon in the United States Army with the rank of First Lieutenant, has been ordered from Washington, D. C., to the Philippine service. Early in the summer Lieutenant Dale was ordered to Fort Walla Walla, and had had his household goods moved to the new post, but in September he was transferred to the Philippine service. Before leaving this country he will take examinations at Washington for the rank of Captain, and will probably go to his new post sometime in December.

THE DRUG STORE

GREETING

This town is too small to support a drug store alone so we use the words mostly to designate our place of business.

We carry as large a line of Sundries as is found in any first class drug store, but specialize on Stationery, Drawing Materials and Fine Cigars. Our Soda trade is handled by EXPERTS and our terms are Cash.

They won't let us join the "Co-Operative", but we share our profits with you just the same, by raising the Standard and Quality of our Goods and maintaining the same low prices.

Kindly give us a call and let us get acquainted any way.

Yours from the start,

H. D. MEEK, Phar. D.
