Be Your Own Beauty Doctor

THERE is but one method of acquiring and retaining a beautiful, clear, delicately tinted complexion. The pores of the skin must first be rid of all impurities, and the circulation gently stimulated to carry nutrition to all the tiny cells and tissues.

Pompeian Massage Cream builds up and rounds out the contour of the face and form by cleansing, exercising, and feeding the skin through and through—by strengthening the muscles.

It removes all wrinkles, blackheads, roughness, and irritation, without promoting the growth of hair or causing the skin to shine—imparting a glow of health and beauty that only nature at her best can give.
