State 29—Villanova 0.

With a flash of the finest football seen on Beaver Field for many seasons the Varsity completely swept the husky Villanova aggregation off their feet last Saturday. Our eleven began the first half minus the services of Moorhead and Miller, both being out of the game with injuries, but Henry and Partridge filled their places in splendid shape. During the entire first half of 20 minutes State's team played fast, smooth, aggressive football. There was never even the semblance of a fumble, Henry handling the ball faultlessly, and every man knew his place in every play so systematically that our team swept the full length of the field four times in succession, against Villanova's fierce defense. This with Captain Yeckley's four pretty goals made the score 24 to 0, which is the best work any team has done against the husky Villanova eleven this season,—the Indians and Swarthmore included.

Captain Moore for Villanova kicked off at exactly 2:47 p.m. and the ball sailed into Henry's waiting arms "High" hustling back 15; then Gotwals opened with a 4 yard gain at tackle, McGee took 8 yards through a hugh hole opened by Dunn in the centre, Gotwals 4 more, Wray 2 and 5 yards was added to State's list for Villanova's offside play. Wray went through tackle for 6, Partridge secured 5 around end, Henry hurdled for 1 at the other end, and "time was out" for Lacey's injury. Yeckley started again with 3 at end, McGee 9 at centre with everybody helping, Gotwals 2, McGee 6, Gotwals 5, Yeckley 7, Wray 3, McGee 2, Wray 8, Yeckley 6, and Wray 1 more for a

touch down. Yeckley kicked the goal—6 to 0.

McGee kicked off to McGeehan on the 10 yard line, Mac coming back 10 yards. Then Slavin hurdled one yard at Barr's end, McGeehan got another at tackle, and McAtleer punted 25 yards. Henry caught the ball on the dead run and darted back 5 yards. Then Wray gained 5 through tackle, and on a second trial 11 more in grand style, McGee 2, Gotwals 4, Yeckley 1, Gotwals 7, McGee 3, Wray 10 and Yeckley 1 yard for touchdown, adding the goal a moment later; score 12 to 0.

McGee kicked to the 5 yard line McGeehan running back 10, Barr downing him. On Villanova's first try Putnam smashed through and threw them for 2 yards loss, after which Slavin went around end for 10 yards gain and then a fumble lost 5, after which Campbell threw McGeehan for a yard's loss. McAtleer made a weak punt of 20 yards, Campbell clutching the ball on his way up the field and returning for a nice gain. McGee got 6 at guard, Putnam 10, McGee 20, Yeckley 5, and George scored. A goal by Yeckley made the tally 18 to 0.

Moore kicked off to State's 30 yard line Campbell running back 2 yards, Gotwals 5, McGee 4, Campbell 15, McGee 6, Yeckley 2, Gotwals 3, Wray 2, Henry 4, Campbell no gain, Yeckley 8, Partridge 2, Wray 6, McGee 7, Gotwals 3, Yeckley 2, and McGee over for the fourth touchdown. Yeckley added another neat goal 24 to 0.

Moore again kicked off, this time to State's 5 yard mark George McGee coming back 20 yards. Henry

Football Review.

If, during the earlier part of the season, there has been any doubt in the minds of State students as to the excellence of our team, it must by this time have been removed. Week after week as we have compared the scores of the games played the fact has been forcing itself upon our minds that this year we have one of the best teams, if not the very best team that ever battled upon the gridiron for the Blue and White; and the results of last Saturday have confirmed this fact beyond question. It looks now as if only two factors could prevent our winning from Annapolis, Dickinson and Wup; these two being over confidence and over training. Our experience of last season with Wup, however should go a long way toward saving us from both of these evils. The W. U. P.—Dickinson score of last Saturday goes to prove what was predicted last week in this column, that Wup is our most dangerous opponent. Annapolis, although only beaten 6-5 by Swarthmore was clearly out-played and has lost much of her football ability. Since Swarthmore, on the previous Wednesday was able to beat Villanova only 12-0, a little subtraction would seem to indicate that we are, to say the least, as good as Annapolis, and have every reason to look for victory on Saturday next.
