

### Special Entertainments.

It has been found possible to add two entertainments of especial interest to the Y. M. C. A. course. One of these will be on the evening of the last day of examinations (Jan. 26) and will consist of an illustrated lecture by Edwin Emerson, the well known war correspondent. Mr. Emerson was with both the Russian and Japanese armies, ran the blockade of Port Arthur twice, was in the Port during the siege and was in a Japanese prison for some time. His stereoptican views are remarkable.

The second entertainment is the best thing offered in State College for years. Mr. Jerome K. Jerome, the famous English humorist, will give a humorous reading from his own works, assisted by Mr. Charles Battell Loomis, our American funnyman. Of course this entertainment which is on March 2nd needs no further comment.

Prices—Emerson's lecture 35 cents; Jerome's reading 50 cents. One ticket for both 75 cents.

Reserved seats, Emerson, 15 cents extra; Jerome, 25 cents extra; both 25 cents extra.

### The Electrical Banquet.

The Electrical Engineering Society held a banquet in McAllister Hall Tuesday evening December 19. President Kline acted as toasmaster. Professor Jackson talked about the character of the student branch of the American Institute of Electrical Engineers. The election of officers for the winter term was held, and the following were chosen: Foltz, President; Hershey, Vice President; Landes, Treasurer; Christman, Secretary, and Arnold, Marshal. Each newly elected officer made an appropriate speech. There were about fifty electricals present.
