

Seniors Sleigh Ride.

On Tuesday afternoon the seniors, according to the long established custom here, enjoyed their annual sleighride to Bellefonte. The college furnished sufficient sleds to accommodate the fellows. They left here about four o'clock in the afternoon and arrived in Bellefonte before six. The day was unusually cold and together with a sharp wind help to make the ride rather unpleasant. Most of the fellows witnessed "The Office Boy," which performed in Bellefonte that evening. During the ride home the weather had moderated somewhat. The sleds arrived at the College at about one o'clock.

The twelfth annual Harvard-Princeton debate, which was held on the evening of December 15, in the Sanders Theatre, Cambridge, was won by Princeton. Princeton defended the affirmative, and Harvard the negative of the question as proposed by Harvard, "Resolved that inter-collegiate football in America is a detriment rather than a benefit."—The Princetonian.
