

News From "Down East."

On the evening of Jan. 12th The Pennsylvania State College Alumni Association of New England held its quarterly meeting and banquet at the Quincy House, Boston, Mass.

Fifteen out of the twenty-five on the roll were present. At eight o'clock, following a general hand-shake in the parlors, the grand march to the dining room started with President Hile and "Dude" Walker, who represented the hungriest man in the lead.

The dinner and program were entirely informal, gaps between courses being shortened by songs; and jokes and stories of old times at State were many. Some excitement was caused by the persistent effort of Hile, Walker and Miller to turn the affair into a discussion on children's diseases.

Short talks were made by Hile, Walker, Bowen, Miller, Butler and Clendenin, the last named sticking to his usual subject, "The Ladies."

At the business meeting, Messrs. Walker, Wirt and Bowen were appointed a committee to draw up an expression of the feeling of the New England Alumni on the resignation of Dr. Atherton.

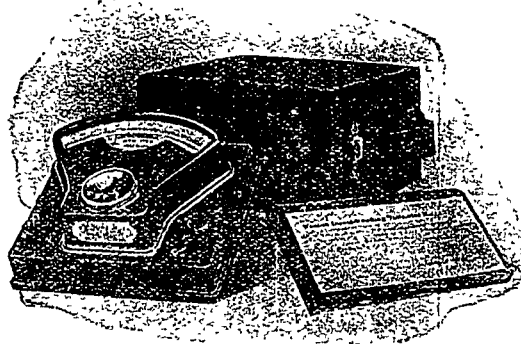

It was moved and carried that the President make a draft of the ideas brought out for making the Association a greater help to the College and present this draft at the next meeting.

It was decided that the next meeting be held on the evening of May 5th, 1906.

The following men were present: Robt. Mathias, '95, Vice President; B. J. Bowen, '96, Secy. Treas.; W. H. Walker, '90, D. S. Miller, '00, J. R. Maddock, '02, A. A. Wirt, '03, E. B. Stauffer, '03, J.
