

The Baseball Out Look.

Continued from page 1.

getting in shape to make good at either second base or in the out field. Brandt, '09, a star Mercersburg pitcher and out-fielder has been lost to the team by reason of failure in his recent examinations.

For the extra pitcher, "Peg" McGee, Sankey, Leonard, Dodge, Fawkes, and Mitinger, who had good experience at Allegheny College, are all in the race, and a good twirler should certainly be developed from among these half dozen candidates.

For the Substitute catcher's position the choice seems to lie between Staud, '07, Conklin, '07, and Foster, '09, with the balance slightly in favor of the former by reason of his possession of an exceptionally strong and accurate throwing arm.

In left field one of the three 'Varsity twirlers will be used, although it may require considerable experimenting before the strongest 'Varsity combination is gotten together. The unparalleled difficulty of the schedule arranged by Manager Himes surely confronts State's '06 nine with a big task, and it will require the very best efforts of every 'Varsity man, along with a lot of the good old "State" spirit to pull the "White and Blue" nine victoriously through this coming campaign. The splendid record of last year's team has established the highest possible standard for this year's 'Varsity.

Appropriations.

The so called Adams' Bill increasing the national appropriation to Agricultural Experiment Stations from \$15,000 to \$20,000 per year at once with a subsequent increase of \$2,000 per year until the total reaches \$30,000, was passed by the United States House of Representatives on February 15th.

This is very agreeable news for the local station. We hope for the success of the bill.

COLLEGE NOTES.

Walter Lorah, '06, is at his home suffering with typhoid fever.

Myers, '08, also has typhoid fever. He is at his home.

The band will give a stag in McAllister Hall Saturday night.

Christman, '06, who was confined to his room with the measles during the past week, is about again.

Gym Class.

There has recently been organized a class in fencing to meet Monday and Wednesday evenings in the Armory. "Pop" Golden will have general charge of the class and will be assisted by Mr. Jeffery, who will take sole charge during "Pop's" absence on athletic trips. Classes have also been formed in boxing and wrestling, J. E. Staud, '07, acting as instructor in boxing, while Kunkle, '07, and Smith, '07, will give pointers to the wrestlers. Football men, in particular, are being urged to practice wrestling on account of its general building up power. The wrestling class is held Tuesday and Friday evenings.
