

E. E. Feed.

At McAllister Hall last Saturday evening the members of the Electrical Engineering Society enjoyed their fourth "feed" of the year. Fifty-nine out of the seventy-five members were present and did justice to the chicken and waffles which constituted the main dish. After the board was cleared, toast master Kamerer called on about a dozen of the seniors to relate their experiences while on the electrical inspection trip two weeks ago.

A feature of the evening was the reading of a number of letters from several of the electrical graduates. An orchestra composed of members furnished several selections. Before the society dispersed a flash-light photograph was taken.

Debating Trials.

Trials will be held on March 2nd for the purpose of filling the vacancy in the debating club left by resignation of C. R. Stahl, '07. The question for discussion is as follows: "Resolved, That American municipalities should own and control plants for the production of heat, light, power and water.
