Our Next Foot Ball Coach.

It is by no means too early to be thinking over State's foot ball coach for next fall. Manager S. M. Thompson has been receiving numerous letters from foot ball coaches, many of considerable prominence, who desire to take charge of State's gridiron squad next September with confidence in turning out a winning eleven. The first idea in the mind of every loyal undergraduate here is that "Tommy" Fennell shall be engaged once more if at all possible, for a man who possesses such wide and varied gridiron knowledge as "Tommy" Fennell, along with a true loyalty to Old State and splendid qualities of leadership, cannot well be found the country over. We need "Tommy" in our business here, that's a certainty, and every possible effort should be put forth to have him again take his vacation here on Beaver Field next fall, and imbue State's gridiron sons with that same manly, gritty spirit which helped to give State's '05 eleven one of the most successful seasons our college has ever seen. This recent clipping from the Elmira Telegram shows what manner of man our "Tommy" Fennell is:—"Attorney Thomas F. Fennell holds the distinction of being the first office-holder in Chemung county who ever petitioned a governing body to reduce his salary. Yesterday he was successful in getting the Board of Supervisors to cut his salary for the past year from \$500 to \$300, and was retained for the ensuing year. It was an act characteristic of the prominent young attorney and famous foot ball coach. He had kept an itemized account of the work he had

performed for the county during the year and found that his work was worth only \$300. Therefore he was not morally entitled to the other \$200, although he could have obtained it simply by keeping quiet and accepting his check. This is about the most striking example of reform that has ever been displayed in this city." Those who know "Tommy" best here at "State" understand just how characteristic of the man such an act as this is, and his popularity here is easily accounted for. Under the instruction of such a man State's foot ball men learn not only the principles of the gridiron sport, but something infinitely higher and more enduring.

Junior Civil "Feed."

On Monday evening the Civil section of the class of 1907 enjoyed a chicken and waffle supper at McAllister Hall. The event was to celebrate the end of re-exam time and all were in a merry mood. The section entertained as guests, Professors Foss, Walker, Shattuck and Lawrence of the Civil Engineering department.

At the close of the supper, cigars were lighted and toasts were responded to by several members of the section. D. G. Gift, who acted as toast master also called upon the guests, and they responded in a very happy manner. Songs were indulged in and the evening was brought to a close by all rising and joining in a rousing verse of "Come, Brothers Raise the Song."

No Hairs.

Mr. Ray in History—Did Charles the Bald leave any heirs?

Student—Evidently, no.

Basket Ball.

The Reserves basket ball five, under Captain Dubarry, sustained their clean record of victories and also their reputation for exciting games, here in the Armory last Thursday evening. The Dickinson Seminary team were our visitors and they played splendid basket ball all the way, and were only bested by State's men in the last five minutes of play. The first half ended 9 to 9 with both fives displaying equal ability, and both teams were cheered as they came on the floor for the second period.

The Seminary boys opened up with a rush and Hickok at center tossed in two nice ones putting the Williamsport five in the lead. But soon afterward State got the "passing" game started and forged ahead amid excitement, Waha and Ross shooting well and Dubarry tossing foul goals with accuracy. For Seminary their entire five played a fast, clean game, Artley and Hickok doing especial well. It was an enjoyable contest and made the fourth straight victory for the Reserves.
