

A.A. Meeting.

After Mr. Dodge's meeting in the Old Chapel on Monday evening a meeting of the Athletic Association was held. A committee consisting of Campbell, Stahl and Fletcher was appointed to investigate the game of Lacrosse and see about having the game established here as one of the sports. Fifty dollars was appropriated to purchase outfits.

A committee consisting of Rafter, Heckathorne and Kunkle was appointed to fit up a room with desk and furnishings for the use of the managers of the various athletic teams.

Deuel, Frank, Staud and Shank were appointed to make improvements at the Track House with the two hundred dollars which was appropriated for that purpose last year.

The amendments to the constitution drawn up by the committee some time ago were read and adopted. It was decided to have these amendments printed on inserts and given out to the students with copies of the constitution of which a large number is on hand.
