"THE EARLY BIRD," ETC.

Wise employers—over 15,000 of them—have been placing orders with us for 1906 College, University and Technical School graduates since January 1st and we have already filled many of them. It's none too early for the senior who wants the best position he can get to list his qualifications in our twelve offices. Write us to-day, stating age, course taken, experience if any, line of work preferred, etc., and you can have a good position to step into immediately after Commencement. Our organization covers the whole country and we place men in every high grade line of work.
