

Y.M.C.A. Notes.

Classes in Mission Study will be started immediately upon the opening of college for the spring term.

Topic for next Sunday evening's meeting will be "God, the Constant; Man, the Variable".

Secretary Wilber was absent from college last Sunday, having been invited to speak at a meeting in Rising Springs, Pa.

Complaints received concerning the conduct of some of the fellows in Room 273 make necessary the following rules:

(1) Please do not smoke or spit in the room. Many of those who use the room do not like tobacco smoke, and one man must not bring discomfort to all. Spitting on the floor is such a disgusting habit that a gentleman need hardly be reminded that it cannot be tolerated in a room used by so many others.

(2) Please do not be rough with the games and furniture. They are the property of the Association and are for the use of all the students, not for the abuse of a few.

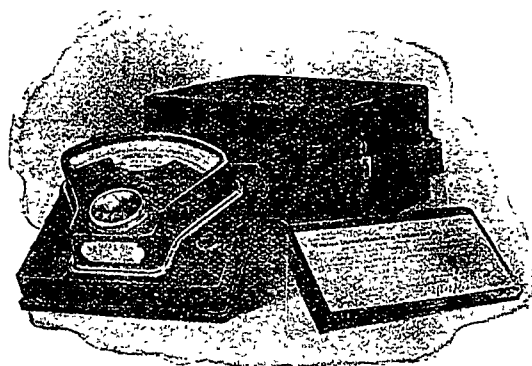

(3) Profane and vile language cannot be tolerated in Room 273. Those who do not care to observe this rule are requested to keep out of the room.

These rules are not drawn up with any intention to restrict the use of the room, but only to insure its proper use. No gentleman will want to disregard these rules.

The co-operation of all the students is asked, not only in observing these rules, but in seeing that others do so. The public sentiment of the college can do more in this regard than can any code of rules.

The first installment of the College Song Books has been received. They can be obtained from Wycokoff, '08.

The college catalogue for this year has arrived.
