## Lebanon Valley Defeated.

Last Friday afternoon on Beaver Field State's 'Varsity nine got their mighty bats to working in the good old way, and as a consequence the Lebanon Valley College team received a sound trouncing, notwithstanding the fact that they played a plucky, creditable game at all stages. It was the first time during the present season that State's warriors got their sticks to working, and everybody enjoyed the performance.

The visitors opened operations in great shape by tallying two runs the very first inning on clean triples by their Captain, and their second base man, Ludwig. Then in the third round Lebanon got another pair of counters, and the score stood 4 to 1 against State. At this juncture Haverstick replaced Mitinger in the box and during the remaining innings only one hit was secured off "Stick's" delivery, his "spit" ball proving especially effective.

Finally in the third inning the fireworks ignited and the air was filled with dazzling "White and Blue" for many minutes. With the score 4 to 1 in Lebanon's favor Yeckley of gridiron fame opened the band box by sending one through the visitors short-stop, followed by Cree's base-on-balls, and a slashing triple to the Track House by Kilmer. This counted for two runs and the next moment Mason's bingle to right sent Kilmer over the pan and then McIlveen pounded out a screaming double to middle, Thompson drove a ripper over second, Haverstick drew a base on balls and Ross, also Mahaffey rapped out safe ones, all of which tallied six runs, and put the game safely away on cool ice.

*Continued on page 3.*

## The Senior Prom.

The regular Senior Prom Dance took place in McAllister Hall last Friday evening. Only thirty-five couples attended, probably on account of the nearness of the Commencement dances. Other than financially, the dance was a success, the music furnished by the College Orchestra being exceedingly well rendered. Early in the evening a short stag was given so that the floor was in excellent condition.

The decorations consisted chiefly of plants from the Botanical building while Housel acted as caterer.

The programs were of a neat design. The cover was white pleated paper in a smooth center square of which appeared the College seal in blue. "Senior Prom" was written in gold across the lower edge. There were twenty-four dances and four extras which carried the dance from eight-thirty to about two. About twenty-five ladies of the College kindly acted as patronesses.

The committee in charge consisted of Rhoades, chairman, D. G. Mahaffey, Caswell, Clay and Foltz.

On the evening before house dances were held by the S. A. E. and the Kappa Sigma Fraternities.

## Drill During Spring Term.

During the spring term military drill will be held in the morning from a quarter of seven to a quarter of eight. Morning chapel will take place at a quarter after eight instead of eight, while morning classes will assemble and be excused ten minutes later than was usual. The bells will be rung accordingly. This is in accordance with the practice employed two years ago.

## The Juniata Debate.

State's second debating team was defeated by the team of Juniata College on Friday evening, April 20, at the latter college in Huntingdon, Pa. The question discussed was: "Resolved, That the insurance companies of the United States should be under direct control of the Federal Government." Juniata had the affirmative of this question and State the negative. State was represented by F. B. Garrahan, W. A. Haven, A. M. Meyers, and L. B. Miller, alternate; and Juniata by H. L. Wagner, W. E. Swigart, A. J. Cullen, and John Mirander, alternate. Attorney W. L. Simpson acted as chairman. The judges were Dr. Mudge, Presbyterian minister at Lewistown, Prof. Gerhart, Principal of Huntingdon High School and Postmaster Butz of Huntingdon, also editor of the Huntingdon Globe.

The debate was well advertised and the entire body as well as a number of persons from town were present. The decision was made under an ingenious point system, the judges giving Juniata a total of 1579 points and State a total of 1398 points.

After the debate the speakers attended a "feed" and social. Our boys here have only good words to speak for the faculty and students at Juniata. They were welcomed royally, and treated with the greatest consideration during their stay.

## Notice.

All Juniors and Seniors who are interested in the formation of a short optional course in After-Dinner Speaking, are requested to meet Mr. Frizzell in his room, 388 Main, Thursday evening, April 26, at 6.30
