Johnstown Game.

The game with "Prexie" Atherton's Johnstown Tri-Staters was a splendid exhibition of base ball all the way. Atherton, himself a former State athlete, told Captain McIlveen after the game that his "White and Blue" nine was a sturdy aggregation. With over 3000 enthusiastic Johnstown rooters shouting for their favorites, "Prexie" explained to "Mac" that the Johnstown players kept jollyng him on the bench about "his college team" going up in the air as the ordinary college nine does when pitted against professionals, but "Prexie" had the laugh on his Johnstown players when the fifth inning came around and the score stood 1 to 0 for the Collegians. Not until the fifth inning did Johnstown secure a hit off McIlveen, when Martin's three sacker gave the Tri-States their first run.

State's sons scored in the very

first inning when "Birdie" Cree, their irrepressible little short-stop, commenced things by tearing off a ringing drive past third. Kilmer neatly sacrificed him to second, he reached third on Mason's grounder to Holly, and trotted home on Captain McIlveen's rousing two bagger over Atherton's head in left field. Several very close base decisions kept State from further scoring until the last inning. Meanwhile in the seventh the Joyful Johnnies enjoyed a batting rally which fairly crazed the big crowd. Atherton flew out to Haverstick, but Magie tripled, Ramer singled, Barber was safe on a wide throw by Mahaffey to Ross, Murphy tripled, and McDuggan fled to Thompson, all of which gave Johnstown 3 runs and made the score 4 to 1 in their favor.

But when the last inning came State's warriors were still filled with good fighting spirit, and Thompson uncorked a rattling single to left. Haverstick fled to right, and Tommy moved up to second on a grounder by Ross to Barber. Then State's Freshman right fielder, Pierce, drove out a terrific hit into the dense crowd to right field, Thompson scoring.

Then came the unsatisfactory finish to this fine game. Somebody in the crowd kicked the ball out to Magie who threw to third, and retired Pierce at that base. But the agreement had been made "that a hit into the crowd was good for three bases," and Johnstown had previously taken advantage of this ruling several times. However, the excited fans did not know this rule and came pell mell onto the diamond to congratulate their victorious favorites. At least a thousand people were crowded upon the field within a couple of moments, and although the two Captains and Umpire Glendon desired to finish the game, it was getting dusk, and as

the crowd would not be dispersed it was decided to call the contest.

The Johnstown management and rooters are extremely anxious to have another game scheduled, but the Faculty Committee here, will not permit of any additions to the present schedule of Manager Himes. The showing made in this Johnstown game was very satisfactory as State fairly outbatted their opponents and also fielded well. Pierce's double and triple were features, also McIlveen's two two baggers, and two hard singles each by Cree and Thompson.
