

### State Defeats Indians.

*Continued from page 1.*

Twohearts running almost a dead-heat about two yards behind, until the finish, when Stapler dove over the line, sliding on his face on the track. There was a discussion as to who got second place, but the judges awarded it to Twohearts on the ground that his foot crossed the line before Stapler's hand. It was a game finish.

State failed to score in the weights, but Brewster tied Exendine for first place in the high-jump, while Montz barely missed a place in the broad jump, clearing 20 feet 10 inches, Charles and Thomas winning first and second by jumping 20 feet 11 inches and 20 feet 10 1-2 inches respectively.

In the 220 yard dash, Henry finished first with Arnold directly behind, wearing a grin as broad as the track, because that event "cinched" the meet.

The Indians are game in their contests and treated the State team royally, the best of feeling prevailing at the end of the meet. The summaries follow:—

Michigan's new athletic field covers thirty-two acres, but will not be completed this year an account of lack of funds. When completed, Ferry Field will be one of the finest athletic fields in the west, plenty of space for practice being afforded by several gridirons and diamonds.
