

State Loses to Navy—Records Smashed.

On Saturday last the State track team met the United States Naval Academy team at Annapolis, and was defeated by the score of 61 1-2 to 34 1-2.

The meet was extremely fast from start to finish, and the events were hotly contested. The Navy won not because of any hard luck on State's part, but because the Middies had the faster team and were able to "produce the goods." Records galore were smashed; four by the Navy and one by Kaiser of State, who lowered the half-mile time from 2:02 1-5 to 2:01 3-5.

For the Navy, Midshipman Carey of Maryland was the star, running the 100 yard dash in 9 4-5 seconds this lowering the Academy record of 10 seconds, and covering the 220 yard distance in 22 seconds flat, thus breaking the former Navy record of 22 1-5 seconds.

In the 440 yard dash Purnell, Navy, won out in 50 4-5 seconds, breaking the previous Academy mark of 52 4-5 seconds, while Rankin, Navy, lowered the mile-record from 4:45 to 4:38 1-5.

Strayer had an easy victory in the pole-vault at 10 feet 2 1-2 inches, Zink, State, and Abbot, Navy, tying for second place. "Mother" Dunn was in good form in the hammer throw, hurling the weight 118 feet 2 inches, exceeding the Navy record; but the Middies took both places in the shot put.

In the jumps the cadets were easy victors, though Brewster took second place in the high-jump, thereby winning the Varsity "S," after having taken a place in the Indian meet of the week before.

The fellows were royally treated during their stay in Annapolis, being entertained in Bancroft Hall of the Naval Academy, and having all the privileges of the grounds and

buildings. It is not pleasant to lose, but we cannot always win, and the sting of defeat is removed in losing to such gentlemanly opponents. The summaries follow:
