COLLEGE NOTES.

Harris, '08, entertained his father and mother at the College several days last week.

The Mechanical Engineering Society inspected the machinery in the new Dairy Building last week.

A cement sidewalk is being placed around the new hotel building. It will improve the busy corner a great deal.

Strayer, '10, was painfully injured last week while pole vaulting. After he had gotten over the cross-bar the pole snapped, precipitating him

to the ground. It is hoped that he will not be injured permanently.

Mr. C. E. Doughton, who has charge of all college men entering the Westinghouse Electric Manufacturing Company, will visit the college on May 25th, for the purpose of conferring with all members of the graduating class who intend to enter the employ of that company. It is also expected that he will address the engineering students while here.

Miss Glenn Takes Prize.

The prize of fifty dollars offered by the Daughters of the American Revolution for the best essay on a Revolutionary subject was recently won by Miss Glenn of the Senior class. The competition was open to the seniors in the girls' colleges and co-educational institutions of Pennsylvania. The subject of the essay written by Miss Glenn was "Pre-revolutionary Days in Pennsylvania."

EVENING SUITS
