

ALUMNI.

Mr. Wm. P. Beyerle '99, is at present engaged at Electrical Engineering in Baltimore, Md.

C. M. Eureka, '95, is chief electrical engineer of the Wisconsin Telephone and Telegraph Company.

D. H. Plank, '00, is in charge of Switchboard work for the General Electric Company at Schenectady, N. Y.

Willard Sharp, '97, is Superintendent of the meter department of the New York Edison Co., New York City.

H. G. Huber, '98, has been appointed Assistant Master Mechanic of the Pennsylvania Railroad at Ceron, Pa.

H. N. Wishart, '95, chemist with the Dupont Powder Co. has been transferred from their Woodbury, N. J. plant to Marquette, Mich.

A. S. O'Neil '03, is Chemist with the United States Navy Ordinance Department at the Navy Proving Grounds, Indian Head, Md.

Philip G. Gosser, '90, second Vice-President of J. G. White & Co., New York City, is in charge of the operation of plants controlled by that company.

Edwin P. Harder of the class of '95 is engineer in charge of substations for the Buffalo General Electric Co., Buffalo, New York.

D. W. Gross, '93, Associate Member American Society Civil Engineers, has been appointed Engineer of Roadway of the new Third Division of the Atlantic Coast Line with headquarters at Jacksonville, Fla.

M. L. Gray, '04, of the Union Switch and Signal Company has recently been given a special appointment on the installment of a new system of alternating current signals for the West Jersey and Seashore Railroad. Gordon Weaver, '05, will take Mr. Gray's former position

on the installation of interlocking plants, while I. C. Minick, '05, will be appointed to Mr. Weaver's place as inspector of machinery and instruments.

Frederick Darlington, '86, who is well known by his relation with the Stanley Electric Company is at present acting as special engineer for the Westinghouse Electric Company in the development of their system for the electrification of steam railroads.

Geo. M. Downing, '88, who for some years has been Principal of the Abington Friend's School has become proprietor of the New Century Bureau—a teachers' agency at 515 Crozier Building, Philadelphia. C. C. Chesney, '85, is Vice-President and Manager of the Stanley Electric Company at Pittsfield, Mass. It may be of interest to some of the younger men of the college to know that Mr. Chesney is an ex-captain of our baseball team, and was one of the best catchers ever on our diamond.
