Good Photographic Work

Depends Upon Certain Conditions

The Photographer must understand human nature; must be able to show the good points and hide the weaknesses in each subject. This requires good taste, an eye for beauty, an understanding of light and shade, posing, etc. These requirements you will find fully met at

SMITH'S STUDIO

All we ask is the privilege of showing you our work. We are sure to interest you in quality, variety and price. We make a specialty of outdoor or interior pictures. Home Portraiture and Flash-Lights.

SMITH, State College.
