## A Splendid Victory.

In one of the most signal foot ball victories ever achieved, State last Saturday defeated the Carlisle Indians at Williamsport. The game was played on a soft, slippery field, and in a driving rain, but the Blue and White outplayed the famous Redmen so decisively at every point that the final score, 4 to 0, does not indicate by any means the real strength of the two teams.

McCleary's beautiful goal from placement won the game for State, but the Indians were exceedingly fortunate to escape at least two touchdowns. The White and Blue warriors gained so consistently all through the battle, that the Carlisle braves were swept off their feet, and looked slow in comparison with their opponents. The officials' work was high class in every respect, and the entire game so cleanly and swiftly played that the crowd of 4000 people, who braved the elements, were delighted. State's 500 student rooters did themselves proud and about 100 Bucknell students cheered for State at every opportunity. This is the first foot ball victory State has ever gained over the Indians, and every man, past or present, may well feel proud of the clean and sportsmanlike manner in which it was won.

At exactly 2:29 the Indian squad, 45 strong, dashed upon the gridiron, followed, a few moments later, by the squad of 30 State men.

Referee Al Sharpe called the squads together for a talk concerning clean play, and Captain "Mother" Dunn, State's big center-rush was seen shaking hands good-naturedly with Exendine, the In-

## The Junior Banquet.

The Junior class this year held its banquet at the Park Hotel in Williamsport, Friday, October 5. About seventy members of 1908 were there to do justice to the "vittles," and help make things lively. The menu consisted of the usual banquet "feed," and the Juniors lived up their reputation of being good feeders. After the boards had been cleared, Buller, the toastmaster, called for the following toasts:—  
Our Class..... W. B. Geise  
The New System..... C. M. Piper  
Wearers of the "S"..... W. W. Smith  
The Queens..... W. G. Ross  
The Chase..... M. B. Gerhard  
A Few Years Hence..... R. B. Meckley  
Remarks..... "Tom" Fennell

About 3 a.m. the affair broke up and the jolly Juniors marched down the streets of Williamsport, singing college songs until the guardians of the peace of the Lumber City objected.

## The Glee Club.

Immediately after the opening of college, the Glee Club re-organized and held an election of officers for the ensuing year. At present, the prospects for a successful season are very good, and this year's club will undoubtedly be much better than even that of last year. The men, who qualified for positions at the trials, have now strengthened the club's membership to 21, 17 of whom are regular members and 4 are substitutes. This is the largest club that has ever represented Penn State, and from the interest which is now being shown, it will, in all probability, be one of the best.

It is the intention of the management to take two trips this year;

one East and the other West. Arrangements for an eastern trip during Christmas week are now being made, while partial arrangements have already been made for the western trip during the Easter vacation. Besides these two trips, the club is booked for an engagement at the Teachers' Institute which will be held in Bellefonte next month.

The officers for this year are as follows:—Leader, H. P. Dawson, '07; Manager, N. R. Wright, '08; Assistant Manager, W. K. Ross, '09.
