

New Scrap Rules.

At the special meeting of the Athletic Association last week the following rules regulating the Cider and Flag Scraps were adopted:

CIDER SCRAP

1. To be held on the afternoon of the last Saturday of October on the Athletic Field.
2. The Freshmen shall furnish a barrel of cider of not less than 40 gallons. The same shall be chained or fastened securely in a vertical position, (on a platform if necessary) so that the top of the barrel will be not less than 4½ feet, and not more than 5 feet above the ground.
3. The scrap shall consist of two halves of 20 minutes each, with an intermission of 10 minutes between halves.
Each half shall be started by a given signal from one of the officials.
4. Each class shall, at the start of each half, be arranged about one half of the circumference of the forty foot (radius) circle of which the barrel is the center.
5. The halves shall close by a given signal from the judges. All men having hands on top of the barrel shall not move, all others must promptly withdraw. The hands on the barrel shall be counted at the close of each half by the judges. All hands moved after the signal is given shall be ruled out. The class having the highest total number of hands counted shall be declared the winner, to have and to hold the barrel and contents.
6. The three judges shall be the two upper class presidents and a third man chosen by them who shall be a local alumnus or member of the instructing force of the college. The judges shall have power to arrange all details not covered by these rules, and their decision shall be final.
