

The Week With Our Opponents.

Last Saturday at Annapolis, Bucknell played the midship men to a standstill, thus making the second time this season that Annapolis has been held down to a 0-0 score on its home grounds, Dickinson having accomplished the same thing early in the season. The game was not brilliant by any means, and, as no ground could be gained consistently by either team, the result was a punting duel.

Dickinson met defeat at the hands of Washington and Jefferson by the small score of 2-0. W. & J. was strong on the offense while Dickinson put up a stubborn defense. Neither team scored a touchdown and W. & J.'s only score came in the first half, when Capt. Davis of Dickinson, in attempting to punt was pushed back over his own goal line for a safety. The entire game was a good, hard struggle.

West Virginia easily defeated Grove City, and the score of 25 to 0 shows that the latter was completely outclassed. The Morgantown team made no effort to run up a big score. However, fumbling was frequent and they lost the ball several times by fumbles. Kenna of W. V. U. kicked a field goal.

Western University of Pennsylvania was played to a standstill in the first half by the Carnegie Tech. team, of Pittsburg, but W. U. P. finally won out by the score of 31 to 0. Carnegie Tech. played in general a good game, while W. U. P. showed a woeful lack of interference and knowledge of signals. It is claimed, and the results of games played indicate, that W. U. P. is far

weaker this year than she was last season. Whether any appreciable strength will be gained between now and Thanksgiving is beyond our knowledge; but in any event, State is prepared to go to Pittsburg on Thanksgiving Day and, barring accidents, to put all previous records to shame.

ALUMNI.

Jos. M. Nelson, '03, of the J. G. White Co., is now located in the construction office at the Laguna Dam Contract, Yuma, Ariz.

Messrs J. Harry Yarnall, '05, and B. C. Butler, '05, are on the engineering staff of the Boston Elevated R. R. Co., which operates all the electric roads, both underground and overhead, in the city. Their address is 285 Warren street, Roxbury, Mass.

Mr. Ralph L. Kell, '05, has recently changed his location, although he is still with the Penna R. R. Co. His address is now 811 N. 6th street, Harrisburg.

Mr. C. M. Parker, '03, is with the General Electric Co. at Schenectady, N. Y., in the Steam Turbine Department.

The Toothpick-Tumbler game on Saturday at 2:30 p.m. will be one of the funniest spectacles of the year. No student should miss seeing it if he wants to laugh. The game will surely be worth every bit of the admission, which is fifteen cents. Don't forget! Beaver Field! Saturday! 2:30 p.m! Fifteen cents!
