

CAMPUS TALK.

THE JOSHER.

The subjoined epistolatory gem is self-explanatory.

Editor-in-chief,

Dear Sir :

Will you very kindly see that no notices are put in the Collegian about my spending Saturday in Bellefonte, or words to that effect. The Collegian goes direct to my home and my expense account doesn't agree with the Collegian in this respect, viz. my visiting in Bellefonte.

If you will keep this one item out from September until next June, I will wax warm in my pursuit after new subscribers.

Respectfully

NATURAL.

The angler sallies forth again,
And by the brooklet shore
He'll idly lie and fish, and then
Go home and lie some more.

QUERY.

Is a student justified in making a kick if he finds a hair in his welsh rabbit?

Prof Ray:—Mr. Campbell, will you please define advalorem and specific duties?

Campbell:—Well, specific duty is the tax laid on specific things of import.

Prof. Ray:—And advalorem is what, Mr. Campbell?

Campbell:—It is the duty on things in general.
