

Intercollegiate Debate.

The preliminary intercollegiate debates for the championship of the league of which State is a member will take place on December 14th—one at Lancaster, between Franklin and Marshall and State, and the other at Carlisle, between Dickinson and Swarthmore. The question chosen for the Dickinson-Swarthmore debate is: Resolved, That United States senators should be elected by direct vote of the people.

A great effort is being made by our own team to win this contest, and considerable time and thought are now being devoted to the question in order that last year's victory may be repeated. One great advantage possessed by State is that the team, with one exception, is the same that defeated Swarthmore in the finals last year. The winners of the preliminaries will meet to decide the championship some time during the second semester.

Bellefonte Association.

The alumni of Bellefonte have recently formed an organization known as the Bellefonte Alumni Association. While the organization will bring the State graduates together in a social way, its chief purpose will be to enable the local alumni to keep in touch with the College and to be of service to it. The Bellefonte alumni, like all other State graduates, are deeply interested in the affairs of State, and have given assurance of their willingness at all times to co-operate in the betterment of conditions in the College.

The Association has nineteen members. The following officers have been elected for the ensuing year: President, E. R. Chambers, '81; vice president, J. D. Hunter, '89; secretary and treasurer, G. O. Gray, '03; executive committee, J. D. Hunter, chairman, Geo. R. Meek, '90; Jonas E. Wagner, '02.
