Sigma.

*Game starts at 6 p. m.

Rules governing the tournament
have been adopted and are as fol-
lows:

(1) Only active college men are
eligible for teams.

(2) Games postponed must be
played before the expiration of one
week from regularly scheduled
date, or payment of fine by each
team of \$2.50 and date of games
shall be assigned by rules committee.
Fines, if any, will be used for
trophies for high individual and
high team scores. Should any team
refuse to play, games will be for-
feited by that team. The team hav-
ing the highest percentage at the
end of the tournament will take the
pennant.

The Relays.

The intercollegiate relay carnival
of the University of Pennsylvania
will be held on Franklin Field Sat-
urday, April 27th, and college
championships of America will be
decided. State has been placed in
the third class along with Swarth-
more, Johns Hopkins, Lafayette,
Bucknell, Dickinson, Virginia, and
Colgate, while the Carlisle Indians
have been dropped to the fifth class.
There are fourteen classes in all, and
in the one immediately below that in
which State is placed come such
colleges as California, Illinois, Wis-
consin, Leland Stanford, Iowa,
Minnesota and Toronto. Washington
and Jefferson and Western Univer-
sity of Pennsylvania are in the sixth
class along with Fordham, Villa
Nova, Maryland, Westminster etc.,
while such institutions as Boston

Tech, Vermont, Holy Cross, Trinity
and Bowdoin are classified as twelfth
in the list.

The members of the big six together
with Chicago and Michigan are first
and immediately following these are
Syracuse, Dartmouth, Georgetown,
Amherst, Brown, Williams, Wes-
leyan and Maine. Within the next
few years State hopes to be able to
hoist her colors into this second
class. During the coming spring
Captain Henry and Coach Golden
will put forth every endeavor to turn
out the fastest relay quartet that has
ever represented Penn State, and
although this task is a mighty diffi-
cult one, prospects are now bright
for its accomplishment.

The Miners Again.

Last Saturday evening the miners,
wrapped in their army blankets, de-
parted from the regular diggin's for
the famous hostelry at Centre Hall.
A wireless message sent by the elec-
tricals preceded them and provoked
a warm reception by mine host.
Immediately upon the arrival some
one struck up "My Girl's A Mule in
the Mine," accompanied by
"Bunny" on the melodeon. The
endurance match ended in a com-
plete victory for "Peepee."

Among those who spoke were
Mason, who delivered an elaborate
address on "Papa's Credits" and
"Bobby" Gunkle who kept his sub-
ject secret. Appropriate shouts
terminated the "feed" and the
homeward trail was taken.
