

COLLEGE NOTES.

The boxing, fencing, and wrestling classes organized last Saturday evening. It is the intention to give free instruction each week to those students who are interested in any or all of these sports.

It was mentioned some time ago in these columns that the freshmen had not brought forward a photograph as evidence of a successful picture scrap. Since that time one has appeared and the class of 1910 has been awarded the victory.

The seniors took their annual sleigh-ride to Bellefonte last Friday evening. The pleasant weather made the trip an exceedingly pleasant one.

The continuous cold weather for the last few weeks has enabled the skaters to get in a few good strokes. The pond which was built last year has been in fairly good condition for those who enjoy the sport.

COLLEGE ORBIT.

At the annual conference of New England colleges, the following questions were raised: Should a course of Greek for beginners be established? Is hazing a thing to be repressed or extirpated? What

should be done in regard to fixing tuition charges? What part should be allotted to the faculty in the government of the students? Does the honor system regulate examination evils?

In his four years' career in football at Chicago, Eckersall has played in all the games but two, and has scored a total of 181 points—Ex.

Yale has followed the lead of the western universities in removing from her baseball schedule all preparatory schools. Until this year Andover and Exeter have been on the list of games.

Cornell has abandoned the professional head coach system in football and adopted the graduate coaching plan. Henry Schoellkopf, '02, and Morris Halliday, '06, have been chosen as field coaches for next season.

In the mad rush for education don't forget that it is not our acquirements, but our achievements that best prepare us for life. It is better to be a wriggling tad-pole in a little pond than an inert sponge at the bottom of the sea.—Ex.

The O. S. U. Lantern announces that there are 55 candidates for places on the teams that are to represent Ohio State in her debates with Indiana and Illinois.—Ex.
