

An Exciting Victory.

In the most exciting and closely contested varsity basketball game that we have ever seen in the Armory our five defeated the New York University Law team by a score of 19 to 17, but only after three minutes of extra time had been played. Ross threw the winning goal after our entire varsity had played splendid ball for 43 minutes, and everybody went away happy. When the first half closed 6 to 4 in the visitors' favor, excitement had reached a high pitch, but the cheering became deafening towards the close of the second half when goals by Herman, Waha, and Funston put State in the lead. With but a few seconds to play Chess for the visitors tossed a pretty basket, making the score 17 to 17 at the conclusion of the second half. It was decided to play off the tie and both sides came on the floor determined to get the necessary goal. After some of the fastest and pluckiest playing ever witnessed here, Ross won the game for State by an accurate shot.

The Debating Club.

A committee was appointed at the regular meeting of the debating club held last Saturday evening to choose a question for the intercollegiate debate with Dickinson. Several questions will be worked over in the weekly debates of the club and the one which seems most evenly balanced will be chosen. After the question is decided upon the trial debate to fill the vacancies on the team will be held.

The question for discussion at the last meeting was: Resolved, That the Monroe doctrine should be continued as the permanent foreign policy of the United States. The affirmative was awarded the decision.
