

**Scranton Clubs Widens Out.**

That all students from Lackawanna county will hereafter be eligible for membership in the Scranton Club was decided at the last meeting of this organization. Such action will widen the scope and influence of the club's work considerably. Prof. Reber was present, and gave a talk on how to do the most effective work for the college in the county. A plan was arranged by which views of the buildings and grounds may be exhibited at the Scranton High School.

**Reading Club Gives Prize.**

A silver Cup, given by the Reading Club, is to be one of the prizes at the interclass field and track meet of the Reading High School, which will be held on April 1. A number of members of the club will officiate in various capacities at the meet.

This is one of the various ways in which this energetic organization is endeavoring to interest prospective students from Berks County in the college. From present indications they expect to double their membership next year.

**COLLEGE ORBIT.**

Swarthmore's success in building "top notch" athletic teams out of a hundred and fifty men is due to the fact that every man is required to try for at least one team and keep at it.
