

**Thespian Cast.**

The old chapel was the scene of great activity on the night of Tuesday, February 19, when the upperclassmen were given an opportunity to display their histrionic talent. About thirty men responded to the call for candidates, and in most of the parts it was difficult to pick just the right man. Professors Pattee and Espenshade kindly consented to act as judges. The successful candidates were Partridge, '07, Meckley, '08, Dunkle, '07, Hastings, '08, Thompson, '07, Romig, '07, Heckel, '08, and Newton, '07. As the judges could not come to a decision on the men trying for one of the "skirt" parts, additional trials will be held.

**Second Indoor Meet.**

Judging by the interest taken in the first of the series of indoor meets, which was held last month the armory should be crowded with interested spectators at the second meet next Saturday night. The events scheduled this month are broad jump, push up, and shot put. Some of the contestants are working hard to raise their standing and some lively work may be expected. Seventeen men have averages which will entitle them to medals if maintained throughout the series, while a number are close to the line.

The Collegian needs several freshmen on its board. Why not try for a place?
