

The Farmers' High School.

An interesting historical document has recently come into possession of the Library through the kindness of General Beaver. This is no less than the original list of subscribers to the Farmers' High School, and the sums payable on condition that it should be located on the lands offered by General James Irvin of Centre county. One half was to be paid October 10, 1855, the other May 10, 1857. The various townships of the county are represented, the whole forming an honor roll of "men of faith" in the project.

Ten Medal Winners.

The last of the series of indoor "gym" meets was pulled off on Monday evening, and as a result, ten of State's best athletes will be awarded medals. Strayer proved to be the best all-around athlete in college. He made high scores in each event, and finished with a final average of 89.3. Montz was second, with an average of 76.2. As both of these men made over 75 points, they will each receive a gold medal of special design, in recognition of unusual athletic ability.

Steigerwalt and Kostenbauder will each receive silver medals for scores of over 65, while Scott, J. T. Henry, H. I. Smith, Evans, Schein and Peck will be given bronze medals for scoring over 50 points. Out of twenty-four men who entered the first meet only ten finished the series, but each one who persevered received a medal.

The highest scores for the individual events were made by the following men:—

Montz, 30 yard dash; Strayer, pull up; Florchey and Harrison, tie in high jump; Kostenbauder, shot put; Strayer, push up; J. T. Henry, broad jump; Steigerwalt, rope climb; Montz and Henry, tie in 20 yard hurdle; Strayer, pole vault.

The scoring for the last meet and the final averages of the contestants are as follows:
