for College Men**

Last year practically every college man on our lists was placed before September 1st, over 1500 in all. The demand is greater this year, the opportunities better. One Amherst man whom we placed in business three years ago is now earning \$3000 a year. Shall we take up your case with some of the 20,000 employers we serve? Write us to-day stating position desired—teaching, business or technical work. Offices in 12 cities.

**The READYFILL
FOUNTAIN PEN**

"The pen that fills itself."

No more ink spotted fingers. The "Readyfill" writes when you are ready. No need to shake it to start the flow of ink. A patented split feed makes dripping impossible. Every college man should have a reliable fountain pen
