

er has a finer group of men been gathered on any college team than "Mother" Dunn, Gotwa's, Kunkle, Wray, Cyphers, Burns, Campbell, Maxwell, Henry, Vollis, McCleary, Hirshman, Zink, Coulson Partridge, and McWilliams — and we are proud of every man! Finally, Walter Camp selected Captain Dunn as All-American center, this being the first honor of the sort our college has ever been accorded. And we all know full well how "Mother" deserves this place!

#### Basketball.

With Captain Wah practically the only Varsity veteran on college the developing of a winning basketball team for this year seemed an impossibility. By dint of steady, tireless work month after month, amid many discouragements, our Varsity five closed their season with a thrilling victory over Swarthmore's confident veterans. Such teams as Juniata, Wyoming, Williamsport, Lebanon Valley, and New York University were easily conquered, and stubborn struggles were made in each of the half dozen difficult games on the Eastern trip, which proved too long and hard for our new team. The ability, pluck, and spirit displayed by every member of this year's Varsity squad promises well for next season. Captain Waha developed an excellent five out of wholly new material, and every State man is proud of the work done in basketball for the season of 1906-'07.

#### Track Team.

Our Track team this year led by Captain Henry has accomplished much, especially under the condition of weather. At Carlisle Dickinson was beaten 92 to 12, a most decisive victory over our rivals, while a hard fought dual meet was lost to the Carlisle Indians, whose team is especially fast this year. Then came a victory over Lafay-

ette's crack team by a score of 56 to 48 on Beaver field. This is the first time that State has ever lowered Lafayette's records on the track. The record for the hammer throw has been lowered by "Mother" Dunn, while Strayer has done the same in the pole vault. As a whole our '07 track team is a splendid combination.

#### Commencement Program.

The usual order of exercises will be followed in the program for next Wednesday. The orations by the graduates are as follows:

- Geology and History, Lloyd Beecher Smith.
- The Cause of Peace, James Blair Long.
- American and the Sixth Commandment, Robert Park Graham.
- The Pan-American Spirit, Calvin Johnson Adams.
- The Leadership of Educated Men, John Piper Smith.

The Commencement address will be "Education for Power" by Dr. Merrill E. Gates, of Washington, D. C.

#### The Thespians.

The presentation of "The Brixton Burglary" by the Thespians next Tuesday evening will probably be among the best productions of this famous organization. They are rehearsing frequently under the direction of Mrs. Hurley, of Buffalo, and will no doubt give even a better performance than that of last Easter.

The officers for the next college year are: R. B. Meckley, president; G. B. Hastings, vice president; F. W. Heckel, secretary; Prof. Higley, treasurer; W. A. Laird, manager; W. Sudduth, assistant manager.

The Senior class decided at a recent meeting to devote the surplus La Vie fund to the improvement of

our hospital. This commendable action might well be followed by other classes and organizations.

## Graduate Schools of Harvard University

The following professional schools in Harvard University are open to holders of a bachelor's degree.

#### Law School

A three years' course leads to the degree of LL. B. Residence for three years is required, but residence at another three year' school may be accepted as a substitute for one of the years of residence at this school. Three annual examinations are required. Inquiries may be addressed to H. A. FISCHER, 20 AUSTIN HALL, CAMBRIDGE, MASS.

#### Medical School

A four years' course leads to the M. D. degree. The School offers graduate courses open to holders of the M. D. degree, and in its new laboratories offers greatly extended facilities for research. For catalogues, for graduate and summer courses, for research and special courses, address CHARLES M. GREEN, M. D., 104 ADMINISTRATION BUILDING, HARVARD MEDICAL SCHOOL BOSTON, MASS.

#### Divinity School.

This is an undenominational school of theology offering instruction leading to the degree of Bachelor of Divinity. Inquiries may be addressed to R. S. MORRISON, 5 DIVINITY LIBRARY, CAMBRIDGE, MASS.

#### Graduate School of Arts and Sciences

Instruction is offered leading to the master's and doctor's degrees in the following fields: Philology (Ancient and Modern Languages and Literature), History, Political Science, Economics, Philosophy, Education and Fine Arts, Music, Mathematics, Physics, Chemistry, Biology, Geology, and Anthropology. Inquiries may be addressed to G. W. ROBINSON, 11 UNIVERSITY HALL, CAMBRIDGE, MASS.

#### Graduate School of Applied Science

Instruction leading to professional degrees is offered in the following subjects: Civil, Mechanical and Electrical Engineering, Mining, Metallurgy, Architecture, Landscape Architecture, Forestry, Applied Physics, Applied Chemistry, Applied Zoology, and Applied Geology. Inquiries may be addressed to W. C. SABINE, 17 UNIVERSITY HALL, CAMBRIDGE, MASS.
