Eastman Kodak
Supplies

At State College, which is nearing completion, will unquestionably be one of the best fitted galleries for high class photographic work in Central Pennsylvania. The large and commodious skylight room will comfortably accommodate a group of 60 people, and is so arranged that any light known to the photographic trade can be made. An electric light of 4,000 candle power will enable pictures to be made at night equal to any daylight work.

An enlarging apparatus for making all sized enlargements from small pictures, plates and films. The entrance being on a level with street saves all stair climbing and affords a fine display window. In connection with this we wish to say to all owners of cameras, kodaks, etc., that we are exclusive agents at State College for Eastman Kodaks, Cameras, Films, Plates, Papers, Mounts, Chemicals, and all other photographic goods. To anyone interested we wish to say that we can furnish you Cameras or Kodaks as cheap as you can buy them anywhere, and would respectfully solicit a trial order. We shall be pleased to correspond with you or meet you in our new quarters. We expect to run on schedule time by October 1, 1907. Watch this space.
